## *CLARKSDALE MUNICIPAL SCHOOL DISTRICT PROFILE*

### Introduction

---

**C**larksdale Municipal School District is located at 526 South Choctaw Street in Clarksdale, Mississippi. In January of 2023, the district housed two thousand one hundred eighteen (2,118) students in prekindergarten through twelfth grade (PK-12). The district has four elementary schools serving prekindergarten through fourth grade (PK-4), one intermediate school serving fifth through sixth grades (5-6), one middle school serving seventh through eighth grades (7-8), one ninth grade academy serving ninth grade (9), and one high school serving tenth through twelfth grades (10-12). The district also runs a career and technical center.

Leading the district is its superintendent, Dr. Toya Harrell-Matthews. In her online welcome message, she states, "Our School Board, teachers, support staff, administrators, and parents are committed to our mission to educate young

people with the knowledge and skills they need to be productive life-long learners and good citizens. The community and School Board support our efforts with the resources and facilities to encourage quality learning. We are very proud of the accomplishments and initiatives of our students and staff."

## Philosophy

---

### Mission

WE EXIST TO PROVIDE A COMPREHENSIVE EDUCATIONAL PROGRAM THAT LEVERAGES TECHNOLOGY TO ADDRESS OUR SCHOLARS' ACADEMIC, CAREER, AND SOCIAL NEEDS, EQUIPPING THEM FOR SUCCESS IN A DIVERSE AND EVOLVING WORLD.

### Vision

OUR VISION IS A CLARKSDALE MUNICIPAL SCHOOL DISTRICT THAT EMPOWERS STUDENTS BY CREATING KEY COMMUNITY PARTNERSHIPS AND OFFERING A RIGOROUS ACADEMIC PROGRAM THAT ADDRESSES THE DIVERSE NEEDS OF EVERY SCHOLAR.

### Goals

**GOAL 1:** Improve student achievement results as reported by state and other standardized test results to garner a performance rating of “C” or better.

**GOAL 2:** Maintain a safe and orderly school environment to promote success and wellness.

**GOAL 3:** Promote efficient and effective fiscal accountability using a needs-based approach while expanding resources that support student achievement.

**GOAL 4:** Increase community collaboration through parental involvement and strategic partnerships.

### Core Values

-  Integrity
-  Respect
-  Individuality
-  Empowerment
-  Innovation
-  Wellness

(Clarksdale Municipal School District, 2023)

## Community Characteristics

**L**ocated along the Sunflower River in the Mississippi Delta, Clarksdale is located in Coahoma County, where it is the county seat. Clarksdale was named after John Clark, who founded the city by establishing a timber mill and business. The city played a significant role during the Great Migration of the early 20<sup>th</sup> century. In 2021, Clarksdale had a population of 14,863 people with a median age of 34.7 and a median household income of \$31,234.

Demographically, the population was 81.2% Black, 16.4% White, and 0.5% Hispanic. Between 1% and 2% of the people in Clarksdale speak a non-English language, and 99.6% are U.S. citizens. Major industries include health care and social assistance, educational services, and manufacturing. Known as the Birthplace of the Blues, Clarksdale has a rich musical heritage and is a major stop on the Mississippi Blues Trail. Coahoma Community College is located in the county, just north of Clarksdale.

The poverty rate for Clarksdale is estimated by the U. S. Census Bureau at 42%, with 59% of children birth to 17 years old living in poverty and 59% of children ages 5 to 17 living in poverty-related households.

## District Characteristics

**T**he **Clarksdale Municipal School District** is in Clarksdale, Mississippi, in the heart of the Delta. Each of the elementary schools has a different magnet theme, including Visual and Performing Arts, Math and Science, Health and Medical Sciences, and International Studies. The themes continue through the intermediate and middle schools, with the focus turning to college and career placement in the upper grades. Over 70% of students are eligible to participate in the federal free and reduced price meal program.

Within Clarksdale Municipal School District, as reported by the *Small Area Income and Poverty Estimate* from the U. S. Census Bureau, about 52% of children between ages 5 and 17 live in poverty-related households.

# Enrollment

**TAKEAWAY:** District enrollment has not yet regained prepandemic levels, with a net loss of 9.6% over 5 years, which is a little more than the state, where enrollment has declined 6.5% since 2019.

	TWO OR MORE RACES	0	0	0	0	20
	WHITE	49	44	42	39	31

Figure 3: District Enrollment by Demographic Group

## Attendance

**TAKEAWAY:** The district experienced a -2.9% change in average daily attendance between 2021 and 2022, a sharper decline than the state change of -1.9%. However, because ADA data collection during the pandemic years of 2020 and 2021 may have been less rigorous in all districts, the difference between 2021 and 2022 may not be as great as it appears. Chronic absence increased to 52.0% in 2022 and continues to be problematic.

## Average Daily Attendance

**A**verage Daily Attendance (ADA) information is reported from the Mississippi Student Information System for Months 1-9. ADA is the average number of pupils present each day school was in session during the period of the report.

CLARKSDALE MUNICIPAL SCHOOL DISTRICT ADA					
	2018	2019	2020	2021	2022
K-5	1224.1	1077.2	995.8	897.5	805.4

9-12	581.2	531.0	562.8	478.3	501.1
TOTAL	2336.7	2114.0	2091.3	1875.7	1745.7

*Note: ADA averages excluding Special Education except for TOTAL.*

(MDE, 2018, 2019, 2020, 2021, 2022, ADA)

Figure 4: District Average Daily Attendance

CLARKSDALE MUNICIPAL SCHOOL DISTRICT ADA AS PERCENTAGE OF ENROLLMENT					
	2018	2019	2020	2021	2022
K-5	114.3%	114.2%	113.9%	109.3%	113.8%
6-8	94.0%	94.9%	100.7%	88.3%	74.3%
9-12	117.7%	79.6%	87.5%	73.8%	74.0%
TOTAL	110.2%	99.5%	103.3%	93.3%	90.6%

*Note: ADA averages excluding Special Education except for TOTAL.*

(MDE, 2018, 2019, 2020, 2021, 2022, ADA)

Figure 5: District ADA as Percentage of Enrollment

Note: Percentages for the figure above are calculated by dividing ADA by grade enrollment. Total percentages are calculated by averaging grade percentages. Blanks indicate data suppressed by MDE “to prevent the identification of individuals in small cells or with unique characteristics.” Since enrollment is compiled in October of each school year, while ADA is compiled in May, discrepancies may occur. Special Education classes and prekindergarten are not represented here.

## Chronic Absence

**A**ccording to the **Mississippi Department of Education**, any student enrolled in a school for at least 10 days and missing 10% of school days for which they are enrolled is considered chronically absent. In addition, a student who misses 50% or more of a school day will be counted as absent for that day.

### Case Study of Chronic Absenteeism

In the 2017 publication, *Preventing Missed Opportunity: Taking Collective Action to Confront Chronic Absence*, Attendance Works provided compelling evidence that any student absences equivalent to missing 10% or more of school, whether excused, unexcused or due to suspension predicts:

- lower levels of numeracy and literacy by third grade,
- class failure in middle school, higher levels of suspension, and
- higher likelihood of high school dropout and lower rates of college completion.

The impact begins in the early grades where chronic absenteeism effects the most vulnerable children living in poverty. The families do not typically have the financial resources to make up for lost educational opportunities. Chronic absence is missing so much school for any reason that a student is academically at risk. It means missing 10 percent or more of the school year for any reason - excused, unexcused and suspensions.

<https://www.mdek12.org/chronicabsenteeism>

Figure 6: District Chronic Absence by Demographic Group

## Accountability

---

**TAKEAWAY:** The district posted significant gains between 2021 and 2022 on all accountability measures except college and career readiness, which fell from 2021 levels and came in well below the state average. The highest proficiency levels for all demographic groups were in History Proficiency. All demographic groups fell under the 70% state-wide goal. Graduation rates made a jump in 2022 (AY2023) for all demographic groups. Enrollment in advanced courses has increased since 2019, while enrollment in post-secondary courses has declined significantly.

### Accountability Measures

 In the **Mississippi Succeeds Report Card**, MDE states that “COVID-19 pandemic disruptions continue to be reflected in 2021-2022 accountability data, particularly growth data. Growth calculations for some high school students required measuring growth from the 2018-2019 school year, and overall student performance on assessments improved since the first full year of pandemic-era schooling in 2020-2021. Additionally, students did not have to pass end-of-course high school assessments in 2020-2021, which affected the 2021-22 graduation rate.”

Accountability measures set out by the Mississippi Public School Accountability Standards include the following:

1. **Proficiency in English/language arts, mathematics, science, and U. S. History** measured by the percentage of students who score proficient or advanced on the state MAAP, MAAP-SCI, and MAAP-EOC assessments.
2. **Growth in English/language arts and mathematics** measured by the percentage of students making adequate progress toward proficiency from one year to the next.
3. **Growth in English/ language arts and mathematics for students who fall in the lowest quartile of performance** measured by the percentage of students making adequate progress toward proficiency from one year to the next.

4. **College and career readiness** measured by the percentage of high school students who meet the ACT benchmarks for English (18) or reading (22) and for math (22).
5. **Acceleration** measured by the number of points earned for a combination of student participation and performance in accelerated courses like Advanced Placement, Dual Credit, and International Baccalaureate.
6. **Graduation rate** measured by the number of students who graduate within four years of entering high school.
7. **English language proficiency** measured by the percentage of English Learners who reach English Language Proficiency.

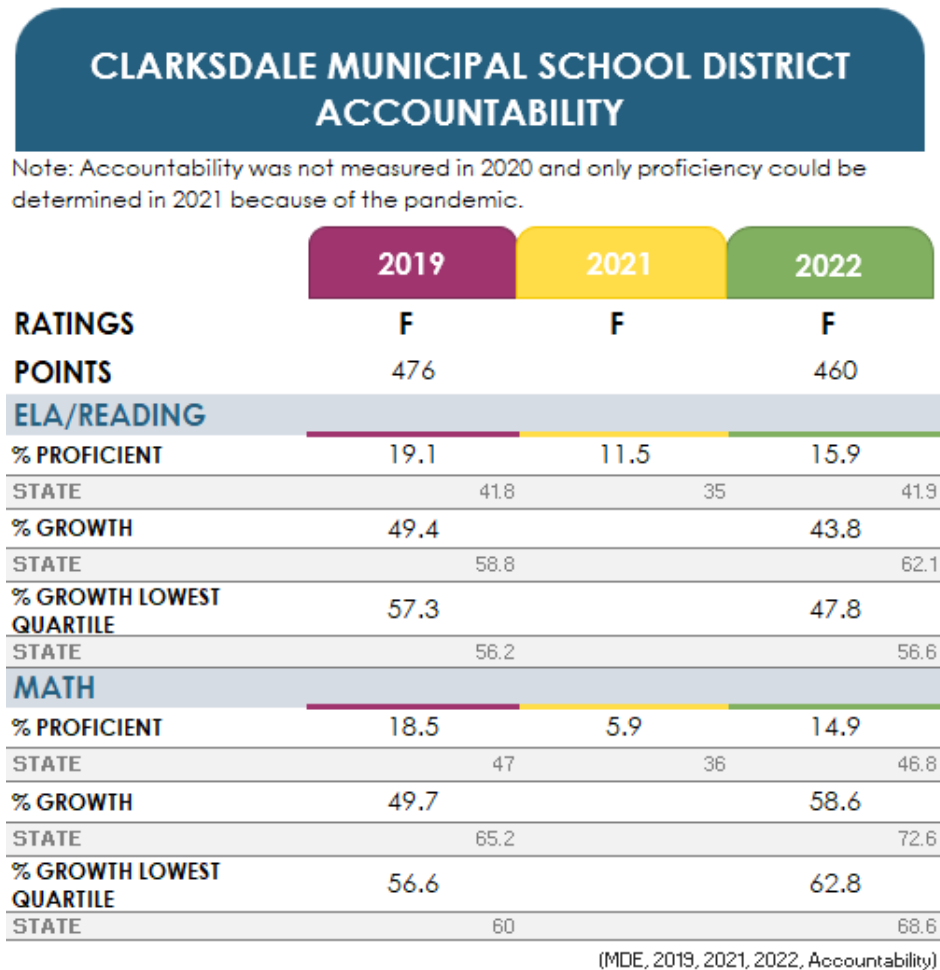

Figure 7: District Accountability: ELA and Math

## CLARKSDALE MUNICIPAL SCHOOL DISTRICT ACCOUNTABILITY

Note: Accountability was not measured in 2020 and only proficiency could be determined in 2021 because of the pandemic.

## Proficiency by Demographic Groups

**T**he **Every Student Succeeds Act** requires that districts report disaggregated data to the public. Mississippi collects and reports assessment results consistent with ESSA 1111(h). Subgroup data is evaluated to identify performance gaps and target support schools. Subgroups include economically disadvantaged students, students with limited English proficiency, various racial and ethnic groups, and students with disabilities.

## Gap-to-Goal by Demographic Group

**T**he **Mississippi Succeeds Plan** for the Every Student Succeeds Act specifies a goal of 70% proficiency for all students by 2025. Other specific long-range goals for the state include:

- Eliminate the proficiency gap between Black students and all students entirely, as the overall student proficiency rate increases to 70% by 2025.
- Close the graduation rate gap between students with disabilities and all students. This gap will be reduced to 20%, as the overall graduation rate increases to 90% by 2025.
- Have 70% of English learners making expected progress toward English language proficiency by 2025 (MDE, 2022)

## 4-Year Graduation Rates

**I**n accordance with 34 C.F.R. § 200.19(b) and Miss. Code Ann. § 37-17-6, graduation and dropout rates were calculated following the four-year adjusted cohort method. This method determines the high school completion status for students four (4) years after entering Grade 9 for the first time during the school year (SY) 2018 - 2019 (Seniors SY 2021 - 2022) and graduated within the cohort window which ended July 31, 2022.

Figure 23: District 4-Year Graduation Rates

Figure 24: District Graduation Rate by Subgroup

## School Improvement Designations

**T**he Mississippi Department of Education identifies schools for additional assistance and support, which includes professional development, leadership coaching, additional funding, and assistance to support the school's transformation goals.

**George H. Oliver Elementary School** was reidentified as a **Comprehensive Support and Improvement (CSI)** school in 2023 for either having a 67% or lower graduation rate, having scores that fell in the bottom 5% of those of all Title I A schools, or being **designated Additional Targeted Support and Improvement (ATSI)** and having scores that fell in the bottom 5% of scores for all Title I A schools for 3 years. It was first identified as **CSI** in 2017.

**Oakhurst Intermediate Academy** was reidentified as a **Comprehensive Support and Improvement (CSI)** school in 2023 for either having a 67% or lower graduation rate, having scores that fell in the bottom 5% of those of all Title I A schools, or being **designated Additional Targeted Support and Improvement (ATSI)** and having scores that fell in the bottom 5% of scores for all Title I A schools for 3 years. It was first identified as **CSI** in 2017.

**W. A. Higgins Middle School** was newly identified in 2023 as a **Comprehensive Support and Improvement (CSI)** school in 2023 for either having a 67% or lower graduation rate, having scores that fell in the bottom 5% of those of all Title I A schools, or being **designated Additional Targeted Support and Improvement (ATSI)** and having scores that fell in the bottom 5% of scores for all Title I A schools for 3 years.

## Advanced Course and Post-Secondary Enrollment

**A**dvanced courses include Dual Credit/Dual Enrollment, Advanced International Certificate of Education, Advanced Placement, International Baccalaureate, and Industry Certification. Post-secondary enrollment percentages count graduates who enrolled in public in-state colleges and universities within a year of graduating and are calculated from the prior year's graduation class but lag a year (i.e., the 2023 report uses the 2022 graduating class) (MDE, 2021).

## Assessment

**TAKEAWAY:** In 2022, district ACT scores are below state averages, but they are outperforming 2019 levels. Kindergarten Readiness scores are down and have not yet matched prepandemic levels. For third graders required to pass the Third-Grade Reading Assessment for promotion for the first time since 2019, both initial and re-test passing percentages have increased significantly. MAAP proficiency percentages were higher in 2022 than in 2021 in all subjects and grades except ELA 5<sup>th</sup> and 8<sup>th</sup> grades, Math 5<sup>th</sup> grade, and Science 5<sup>th</sup> and 8<sup>th</sup> grades. The largest gains were made in Biology I and Algebra I.

**M**ississippi's statewide assessments measure students' academic aptitude from prekindergarten through high school. Each assessment evaluates student learning to ensure students develop the knowledge and skills they need.

Statewide assessments include screeners and the **Kindergarten Readiness Assessment** to determine what children know and are able to do upon entering school, the **Third-Grade ELA Assessment** to comply with the Literacy-Based

## Clarksdale Municipal School District Profile

Promotion Act, the **Mississippi Academic Assessment Program** (MAAP) to assess proficiency and growth in English/language arts, mathematics, science, and social studies, and the **ACT** for eleventh graders to measure college readiness. The state also administers the **English Language Proficiency Test** (ELPT) to students identified as English Learners.

## MAAP-SCIENCE

Figure 46: District MAAP-SCI Grades 5 and 8

MAAP-END-OF-COURSE

MAAP assessments were not administered in 2020 because of school shutdowns during the covid pandemic. in 2021, amid ongoing pandemic adjustments, End-of-Course MAAP passing requirements (English II, Algebra I, Biology I, and U. S. History) for graduation were waived, although all tests were administered to determine learning loss since 2019.

Figure 47: District MAAP-EOC Biology I and U. S. History

In 2022, the statewide percentage of students scoring proficient or advanced on MAAP assessments reached an all-time high of 42.2% in English Language Arts (ELA) and 55.9% in science, and reached 47.3% in mathematics, just shy of the prepandemic rate of 47.4%. (MDE, 2023)

# Finance

**TAKEAWAY:** Spending for instructional support has increased slightly since 2018. Total revenue is up \$6.7M, while total operational expenditure has increased \$2.1M. The majority of title funding is up, and ESSER funds for pandemic expenses have expired. FY2023 MAEP allocations are down \$293.4K since FY2022 and fall \$1.4M below full funding.

# Personnel

**TAKEAWAY:** The percentage of teachers teaching in their certified field has declined, while the percentage of experienced teachers districtwide has remained at about 59% since 2018. The per-pupil ratio has decreased to 12.4. Average teacher salaries have remained about the same, as well as salaries for most administrators and support personnel.

Figure 64: District Teacher and Instructional Personnel Average Salaries

# Distribution of Respondents

Seven hundred ninety-seven (797) respondents from four stakeholder groups and nine schools responded to the Comprehensive Needs Assessment Survey in 2023. The figure below reflects the distribution of responses by stakeholder group, which together comprise the district data reported in the subsequent graphs and charts. Responses from all groups were totaled and divided by the number of survey respondents to calculate district-wide percentage distributions. Additional graphs detail the responses disaggregated by stakeholder group, school, and grade where appropriate.

Figure 65: Distribution of Stakeholders

## DATA COLLECTION

**Some information** for this report was gathered through a district-wide Comprehensive Needs Assessment Survey administered online. Respondents were asked to express an opinion on statements using a 5-point Likert scale, indicating “Strongly Agree,” “Agree,” “Disagree,” “Strongly Disagree,” or “Not Applicable or No Information.” Some questions asked respondents to choose among a variety of options, to rank choices, or to write in responses to open-ended statements. Some overall open-ended questions were also included. Data were compiled by school and by stakeholder group, then combined to create a district summary.

Test scores and demographic data were obtained from the Mississippi Department of Education and Clarksdale Municipal School District.

Figure 66: Distribution of Faculty/Staff Respondents by School

Figure 67: Distribution of Student Respondents by School

Figure 68: Distribution of Parent Respondents by School

## Universal Questions

**F**aculty, staff, parents, community members, and students responded to several questions in common so that a consensus might be ascertained for the whole district. Individual stakeholder group responses are recorded in other sections of this report for comparison purposes.

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

Meals for students	338	42.4%
Class materials available online	297	37.3%
Mobile hotspots or other ways to access the internet	294	36.9%
School supplies (pencils, paper, etc.)	341	42.8%
Class materials available offline (sent through mail, picked up at school)	244	30.6%
Virtual school events (assemblies, awards ceremonies, graduation)	281	35.3%
Other	108	13.6%
None of the above	66	8.3%

## Summary of District Strengths and Challenges

---

*Seven hundred ninety-seven (797) stakeholders from nine schools responded to the 2023 Clarksdale Municipal School District Comprehensive Needs Assessment survey online. Students comprise 79.2% of the total. Faculty/staff members represent 60.2% of the adult response, with parents accounting for 32.5%. Community members make up 7.2% of the adult response or 1.5% of the total.*

---

**Clarksdale Municipal School District is an established district focused on improving.** District enrollment has not yet regained prepandemic levels, with a net loss of 9.6% over 5 years. Accountability ratings for the district remain at the “F” level in 2022 after MDE resumed assigning letter grades for accountability. The district experienced a -2.9% change in average daily attendance between 2021 and 2022, and chronic absence rose to 52.0%. The district's graduation rate rose to 87.7%; the dropout rate decreased to 11.7%. Graduation rates for students with disabilities rose by 5.5 percentage points.

In response to statements on the comprehensive needs survey about federal programs, stakeholders strongly agree that teachers in the district are state certified and effective. Statements about curriculum and instruction revealed that over 80% of stakeholders believe that the programs of this district meet the requirement of students with special needs (handicapped, learning disabled, gifted and talented, etc.).

Statements about parent, family, and community engagement show that the majority of parents feel welcome in the schools. Eighty-three percent state that the district actively promotes parent/teacher communication; however, less than 70% state that they are satisfied with the schools.

Regarding school climate and culture, 83% believe that the district provides students and teachers with a safe and orderly environment for learning. Eighty-five percent agree that students have access to a variety of resources to help them succeed in their learning, such as technology, media centers, and libraries. Less than 70% feel that teacher absenteeism and/or tardiness have a negative impact on learning in the district.

# CLARKSDALE MUNICIPAL SCHOOL DISTRICT PARENT SURVEY

## Introduction

---

**P**arents from across Clarksdale Municipal School District were asked to respond to questions about the school or schools their children attend.

Fifty-four (54) parents responded to the survey. The following tables detail responses to the Comprehensive Needs Assessment Survey from parents in the categories of *Federal Programs*; *Curriculum and Instruction*; *Parent, Family, and Community Engagement*; *School Climate and Culture, Technology, Preschool and Kindergarten*, and *Covid-19 and Distance Learning*. A summary of open-ended question answers is included in each school's parent section.

None of the above	58	9.2%

‘The principal goal of education is to create people who are capable of doing new things, not simply of repeating what other generations have done – people who are creative, inventive and discoverers. The second goal . . . is to form minds which can be critical, can verify, and not accept everything they are offered.’

*- Jean Piaget*

# CLARKSDALE MUNICIPAL SCHOOL DISTRICT FACULTY/STAFF SURVEY

## Introduction

---

**F**aculty and staff from across Clarksdale Municipal School District were asked to respond to questions about the schools in which they work. One hundred (100) faculty and staff members responded to the survey. The following tables detail responses to the Comprehensive Needs Assessment Survey from faculty and staff members in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. A summary of open-ended question responses is included in each school's faculty/staff section.

## Curriculum and Instruction

**The programs of this school (district) meet the requirement of students with special needs (handicapped, learning disabled, gifted and talented, etc.).**

	Count	Percentage
Strongly Agree	15	15.0%
Agree	58	58.0%
Disagree	13	13.0%
Strongly Disagree	5	5.0%
Not Applicable or No Information	9	9.0%

**I develop and utilize various modes of assessments (formal and informal) for varying subgroups (SPED, ELL, etc.).**

	Count	Percentage
Strongly Agree	15	15.0%
Agree	56	56.0%
Disagree	1	1.0%
Strongly Disagree	1	1.0%
Not Applicable or No Information	27	27.0%

**I incorporate the following evidence-based strategies in my teaching to meet the needs of EL learners:**

	Count	Percentage
Embed multicultural education throughout the curriculum	24	24.0%
Utilize technology such as class websites, blogs, and videos	54	54.0%
Utilize structured note-taking formats (i.e. graphic organizers) and teach viewing comprehension strategies	38	38.0%

### I incorporate the following evidence-based strategies in my teaching to meet the needs of EL learners:

	Count	Percentage
Slow down my speech; use shorter sentences, present tense, synonyms, examples, gestures, and demonstrations	46	46.0%
Use as many mediums as possible to convey information: oral, written, videos, teacher demonstration, student demonstration, etc.	47	47.0%
Use think-alouds and think-pair-shares when asking questions; allow wait time for answers	43	43.0%
Use bilingual handouts and cues	12	12.0%
Use visual displays, portable white boards, and posters when giving instructions	51	51.0%
Create and display word walls (displays of high-frequency words for a unit, arranged alphabetically)	45	45.0%

Please evaluate the following products, programs, and services:								
PROGRAM, PRODUCT, OR SERVICE	Aligns with instructional goals of the school	Meets teacher needs for instruction and assessment	Meets student needs for instruction and assessment	Provides appropriate data points for data-driven instruction	Provides ease of use for teachers and students	Provides practical activities and suggestions for students	Would be beneficial for continuation into next school year	I do not use this product or service.

# CLARKSDALE MUNICIPAL SCHOOL DISTRICT COMMUNITY SURVEY

## Introduction

**C**ommunity members from across Clarksdale Municipal School District were asked to respond to questions about the district and its schools. Twelve (12) community members responded to the survey.

The following tables detail responses to the Comprehensive Needs Assessment Survey from community members in the categories of *Federal Programs*; *Curriculum and Instruction*; *Parent, Family, and Community Engagement*; *School Climate and Culture*; *Technology*; *Preschool and Kindergarten*; and *Covid-19 and Distance Learning*. A summary of open-ended question responses is included at the end of this section.

## Survey Results

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

	Count	Percentage
Strongly Agree	3	25.0%
Agree	7	58.3%
Disagree	2	16.7%
Strongly Disagree	0	0.0%
Not Applicable or No Information	0	0.0%

## Clarksdale Municipal School District Community Survey

### To contribute to "Well-Rounded Educational Opportunities" in our district, I would like to see Title IV money spent on:

	Count	Percentage
Improving access to foreign language instruction, arts, and music education	5	41.7%
Supporting college and career counseling	6	50.0%
Providing programming to improve instruction and student engagement in science, technology, engineering, and mathematics (STEM)	7	58.3%
Promoting access to accelerated learning opportunities (including Advanced Placement (AP) and Dual Credit)	4	33.3%
Strengthening instruction in American history, civics, economics, geography, government education, and environmental education	5	41.7%

### To supplement what our district is already doing to keep our schools safe and healthy, I would like to see Title IV money used on:

	Count	Percentage
Promoting community and parent involvement in schools	3	25.0%
Providing school-based mental health services and counseling	6	50.0%
Promoting supportive school climates to reduce the use of out of school suspension and promoting supportive school discipline	6	50.0%
Establishing or improving dropout prevention	4	33.3%
Supporting re-entry programs and transition services for Justice-involved youth	3	25.0%
Implementing programs that support a healthy, active lifestyle (nutritional and physical education)	8	66.7%
Implementing systems and practices to prevent bullying and harassment	7	58.3%
Developing relationship building skills to help improve safety through the recognition and prevention of coercion, violence, or abuse	5	41.7%
Establishing community partnerships	3	25.0%

**To supplement what our district is already doing in the area of technology, I would like to see Title IV money used on:**

	Count	Percentage
Supporting high quality professional development for educators, school leaders and administrators to personalize learning and improve academic achievement	6	50.0%
Building technological capacity and infrastructure	7	58.3%
Carrying out innovative blended learning projects	3	25.0%
Providing students in rural, remote, and underserved areas with the resources to benefit from high quality digital learning opportunities	8	66.7%
Delivering specialized or rigorous academic courses and curricula using technology, including digital learning technologies and assistive technology	4	33.3%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**C**ommunity members from Clarksdale Municipal School District feel that the school does a good job in encouraging students, hosting parenting events, and maintaining a strong board and administrative staff. One community member said, “As a community member, I keep up with the district via social media and through people that I know. I enjoy seeing positive things and seeing student growth.” Respondents see the need to keep up with technological advances, making sure students are prepared for college, and monitoring student behavior in and out of school. Another community member stated the desire to see the district “work more closely with the students to help with one-on-one reading comprehension, test taking, and writing (especially cursive writing) skills.”

# *BOOKER T. WASHINGTON ELEMENTARY SCHOOL*

## Introduction

---

**B**ooker T. Washington Elementary School is located at 1806 Sunflower Street Ext. in Clarksdale, Mississippi. In 2022-2023, it served one hundred eighty-three (183) students, prekindergarten through fourth grade (PK-4). As stated on its website, BTW is dedicated to producing “students who can compete globally and succeed in a diverse society.” The active school recognizes student achievement by awarding different Students of the Week throughout the year. Teachers and staff are also rewarded for their hard work.

The school is led by its principal, Mrs. Brenda Miller, and its assistant principal, Dr. Orzell Anderson. The mission of the school, according to its website, says,

“The mission of Booker T. Washington International Studies Magnet School is to inspire students to become responsible, self-motivated learners and caring, globally minded citizens through a challenging, inquiry based curriculum that develops the talents of all students and celebrates diversity in partnership with parents and community members in a safe, child-centered environment.”

### Third-Grade Reading Assessment

The **Literacy-Based Promotion Act (LBPA)** requires that students pass the Third-Grade Reading Assessment or meet one of the exemption criteria to be promoted to the fourth grade. Students are given three opportunities to take the assessment. However, the requirement was waived in 2020 and 2021 because of pandemic disruptions to instruction.

MDE publishes only initial passing rates on the Third-Grade Reading Assessment for individual schools. In 2019, the initial passing rate for Booker T. Washington Elementary School was 32.6%. The 2022 passing rate was 63%.

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at Booker T. Washington Elementary School in the categories of *Federal Programs*; *Curriculum and Instruction*; *Parent, Family, and Community Engagement*; *School Climate and Culture*; *Technology*; *Preschool and Kindergarten*; *Professional Development*; and *Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Eighteen (18) faculty and staff members, nineteen (19) parents, and forty-six (46) students responded to the survey.

## Booker T. Washington Elementary School

### To contribute to "Well-Rounded Educational Opportunities" in our district, I would like to see Title IV money spent on:

	Count	Percentage
Improving access to foreign language instruction, arts, and music education	4	22.2%
Supporting college and career counseling	5	27.8%
Providing programming to improve instruction and student engagement in science, technology, engineering, and mathematics (STEM)	9	50.0%
Promoting access to accelerated learning opportunities (including Advanced Placement (AP) and Dual Credit)	5	27.8%
Strengthening instruction in American history, civics, economics, geography, government education, and environmental education	7	38.9%

### To supplement what our district is already doing to keep our schools safe and healthy, I would like to see Title IV money used on:

	Count	Percentage
Promoting community and parent involvement in schools	11	61.1%
Providing school-based mental health services and counseling	7	38.9%
Promoting supportive school climates to reduce the use of out of school suspension and promoting supportive school discipline	3	16.7%
Establishing or improving dropout prevention	4	22.2%
Supporting re-entry programs and transition services for Justice-involved youth	3	16.7%
Implementing programs that support a healthy, active lifestyle (nutritional and physical education)	6	33.3%
Implementing systems and practices to prevent bullying and harassment	5	27.8%
Developing relationship building skills to help improve safety through the recognition and prevention of coercion, violence, or abuse	4	22.2%
Establishing community partnerships	6	33.3%

**To supplement what our district is already doing in the area of technology, I would like to see Title IV money used on:**

	Count	Percentage
Supporting high quality professional development for educators, school leaders and administrators to personalize learning and improve academic achievement	8	44.4%
Building technological capacity and infrastructure	7	38.9%
Carrying out innovative blended learning projects	5	27.8%
Providing students in rural, remote, and underserved areas with the resources to benefit from high quality digital learning opportunities	7	38.9%
Delivering specialized or rigorous academic courses and curricula using technology, including digital learning technologies and assistive technology	7	38.9%

**I use disaggregated student data to inform classroom decisions and instructional practices.**

Other	1	5.6%
None of the above	0	0.0%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from Booker T. Washington Elementary School feel that the school does a good job in working together as a team, caring about the academic status of students, and providing all employees with the tools to become a successful district. One faculty member said, “My school cafeteria makes sure all students eat breakfast no matter the time they come.” Respondents expressed the need for holding parents accountable, improving on relaying information during inclement weather, and making updates to buildings and facilities. Another faculty member stated, “The district needs to hire and move people up in positions based on their merit and not on a friend situation.”

None of the above	3	6.5%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**S**tudents from Booker T. Washington Elementary School feel that the school does a good job in helping them learn, providing good technology, and giving good food to them. One student said, "They do well on teaching us and keeping us safe and supporting us." Respondents would like to see cleaner school buildings, more free time during the school day, and a school counselor available to help students. Another student stated, "The school district

should make it fair for everyone to get awards who score high or for the ones who grew."

## Covid-19 and Distance Learning

### How satisfied are you with your school or district's COVID-19 remote learning program?

	Count	Percentage
Extremely satisfied	7	36.8%
Very satisfied	6	31.6%
Moderately satisfied	2	10.5%
Somewhat satisfied	2	10.5%
Not at all satisfied	2	10.5%

### To what extent is the district meeting the academic needs of students and their families (e.g., online learning support, other educational resources, access to teachers and staff)?

	Count	Percentage
To a very great extent	6	31.6%
To great extent	9	47.4%
To a moderate extent	2	10.5%
To a small extent	2	10.5%
Not at all	0	0.0%

### Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?

	Count	Percentage
Technical support	7	36.8%
Remote appointments with a counselor or mental health professional	6	31.6%
Remote appointments with a school nurse	1	5.3%
Devices to use for schoolwork	14	73.7%
Meals for students	5	26.3%
Class materials available online	8	42.1%
Mobile hotspots or other ways to access the internet	6	31.6%
School supplies (pencils, paper, etc.)	5	26.3%
Class materials available offline (sent through mail, picked up at school)	6	31.6%
Virtual school events (assemblies, awards ceremonies, graduation)	8	42.1%
Other	3	15.8%
None of the above	0	0.0%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**P**arents of students from Booker T. Washington Elementary School feel that the school does a good job in employing caring administrators and teachers, as well as communicating well with parents. One parent said, "They work very well with kids with disabilities." Respondents expressed concerns about the leaking roof and old windows. They would like to see children with academic needs assessed and helped earlier in their educational journey. Another parent stated, "Our district needs to make improvements by helping our school become an A or a B."

# *GEORGE H. OLIVER ELEMENTARY SCHOOL*

## Introduction

---

**G**eorge H. Oliver Elementary School is located at 871 Ritchie Street in Clarksdale, Mississippi. In 2022-2023, it served two hundred forty-one (241) students, prekindergarten through fourth grade (PK-4). GHO is led by its principal, Regina Chess, as it strives to lay a solid educational foundation for its young students. The school is dedicated to providing opportunities for learning in a variety of ways.

The mission statement on the school's website states that they will "provide innovative and quality educational programs that focus on the individual development of every student." The school hosts special events that address difficult issues, like bullying, as well as enjoying homecoming celebrations and focusing on eco-awareness.

## Proficiency by Demographic Group

Figure 94: George H. Oliver Elementary School Reading Proficiency by Demographic Group

Figure 95: George H. Oliver Elementary School Math Proficiency by Demographic Group

## School Improvement

**G**eorge H. Oliver Elementary School was reidentified as a **Comprehensive Support and Improvement (CSI)** school in 2023 for either having a 67% or lower graduation rate, having scores that fell in the bottom 5% of those of all Title I A schools, or being **designated Additional Targeted Support and Improvement (ATSI)** and having scores that fell in the bottom 5% of scores for all Title I A schools for 3 years. It was first identified as **CSI** in 2017.

## Assessment

### Kindergarten Readiness

Figure 96: George H. Oliver Elementary School Early Learning Collaborative Kindergarten Readiness Assessment: Prekindergarten

Figure 97: George H. Oliver Elementary School Kindergarten Readiness Assessment: Prekindergarten

Figure 98: George H. Oliver Elementary School Kindergarten Readiness Assessment: Kindergarten

### Third-Grade Reading Assessment

**T**he **Literacy-Based Promotion Act (LBPA)** requires that students pass the Third-Grade Reading Assessment or meet one of the exemption criteria to be promoted to the fourth grade. Students are given three opportunities to take the assessment. However, the requirement was waived in 2020 and 2021 because of pandemic disruptions to instruction.

MDE publishes only initial passing rates on the Third-Grade Reading Assessment for individual schools. In 2019, the initial passing rate for George H. Oliver Elementary School was 26%. The 2022 passing rate was 30.3%.

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at George H. Oliver Elementary School in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Fourteen (14) faculty and staff members, nine (9) parents, and fifty-eight (58) students responded to the survey.

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from George H. Oliver Elementary School feel that the school does a good job in driving data for remediation, allowing school leaders the autonomy to build their school vision in alignment with the district's vision, and working together as a family. One faculty member

said, "I feel that my school offers adequate opportunities for students to get extra support if they need it." Respondents see the need for teachers and staff to be supported and encouraged and to maintain respectful, trusting, and caring relationships. Another faculty member stated, "Make sure teachers and all workers are appreciated and keep the morale high so teachers who are ready to give up won't quit. Continue to offer professional development and different forms of support."

## Covid-19 and Distance Learning

### How satisfied are you with your school or district's COVID-19 remote learning program?

	Count	Percentage
Extremely satisfied	2	22.2%
Very satisfied	5	55.6%
Moderately satisfied	1	11.1%
Somewhat satisfied	1	11.1%
Not at all satisfied	0	0.0%

### To what extent is the district meeting the academic needs of students and their families (e.g., online learning support, other educational resources, access to teachers and staff)?

	Count	Percentage
To a very great extent	2	22.2%
To great extent	5	55.6%
To a moderate extent	2	22.2%
To a small extent	0	0.0%
Not at all	0	0.0%

### Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?

	Count	Percentage
Technical support	4	44.4%
Remote appointments with a counselor or mental health professional	3	33.3%
Remote appointments with a school nurse	0	0.0%
Devices to use for schoolwork	4	44.4%
Meals for students	2	22.2%
Class materials available online	2	22.2%
Mobile hotspots or other ways to access the internet	2	22.2%
School supplies (pencils, paper, etc.)	1	11.1%
Class materials available offline (sent through mail, picked up at school)	3	33.3%
Virtual school events (assemblies, awards ceremonies, graduation)	1	11.1%
Other	0	0.0%
None of the above	1	11.1%

## General Opinion

---

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

---

**P**arents of students from George H. Oliver Elementary School feel that the school does a good job in teaching the students and helping them meet their goals. One parent said, "In my opinion they are doing everything well." Respondents would like to see the school work on things ahead of time and improve the planning of events at the school. Another parent stated a desire for the students to "have more time at recess."

# HEIDELBERG ELEMENTARY SCHOOL

## Introduction

---

**H**eidelberg Elementary School is located at 801 Maple Street in Clarksdale, Mississippi. In 2022-2023, it served one hundred ninety-eight (198) students, prekindergarten through fourth grade (PK-4). HES is dedicated to its young students, seeking to provide a solid start to their educational journeys. The school is led by its principal, Lajeuna Crenshaw, and its assistant principal, Mary Seale.

In stating its mission and vision, the school's website says, "Heidelberg Elementary S.T.E.A.M. Magnet School will create S.T.E.A.M. thinkers by providing innovative 1:1 technology, arts, integration, and a collaborative environment in order to

prepare scholars for high school and beyond." Students and parents are encouraged through a variety of educational and extracurricular activities such as Curriculum Night, Third Grade Family Night, 100<sup>th</sup> Day of School celebration, and Read Across America.

### Third-Grade Reading Assessment

**T**he **Literacy-Based Promotion Act (LBPA)** requires that students pass the Third-Grade Reading Assessment or meet one of the exemption criteria to be promoted to the fourth grade. Students are given three opportunities to take the assessment. However, the requirement was waived in 2020 and 2021 because of pandemic disruptions to instruction.

MDE publishes only initial passing rates on the Third-Grade Reading Assessment for individual schools. In 2019, the initial passing rate for Heidelberg Elementary School was 47.2%. The 2022 passing rate was 50%.

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at Heidelberg Elementary School in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Twelve (12) faculty and staff members, three (3) parents, and forty-eight (48) students responded to the survey.

## Heidelberg Elementary School Faculty/Staff Survey

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

	Count	Percentage
Strongly Agree	2	16.7%
Agree	10	83.3%
Disagree	0	0.0%
Strongly Disagree	0	0.0%
Not Applicable or No Information	0	0.0%

**To contribute to "Well-Rounded Educational Opportunities" in our district, I would like to see Title IV money spent on:**

	Count	Percentage
Improving access to foreign language instruction, arts, and music education	5	41.7%
Supporting college and career counseling	5	41.7%
Providing programming to improve instruction and student engagement in science, technology, engineering, and mathematics (STEM)	8	66.7%
Promoting access to accelerated learning opportunities (including Advanced Placement (AP) and Dual Credit)	3	25.0%
Strengthening instruction in American history, civics, economics, geography, government education, and environmental education	4	33.3%

**To supplement what our district is already doing to keep our schools safe and healthy, I would like to see Title IV money used on:**

	Count	Percentage
Promoting community and parent involvement in schools	7	58.3%
Providing school-based mental health services and counseling	6	50.0%
Promoting supportive school climates to reduce the use of out of school suspension and promoting supportive school discipline	5	41.7%
Establishing or improving dropout prevention	3	25.0%
Supporting re-entry programs and transition services for Justice-involved youth	3	25.0%
Implementing programs that support a healthy, active lifestyle (nutritional and physical education)	8	66.7%
Implementing systems and practices to prevent bullying and harassment	8	66.7%
Developing relationship building skills to help improve safety through the recognition and prevention of coercion, violence, or abuse	8	66.7%
Establishing community partnerships	5	41.7%

**To supplement what our district is already doing in the area of technology, I would like to see Title IV money used on:**

	Count	Percentage
Supporting high quality professional development for educators, school leaders and administrators to personalize learning and improve academic achievement	9	75.0%
Building technological capacity and infrastructure	2	16.7%
Carrying out innovative blended learning projects	5	41.7%
Providing students in rural, remote, and underserved areas with the resources to benefit from high quality digital learning opportunities	8	66.7%
Delivering specialized or rigorous academic courses and curricula using technology, including digital learning technologies and assistive technology	8	66.7%

**I use disaggregated student data to inform classroom decisions and instructional practices.**

	Count	Percentage

None of the above	0	0.0%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from Heidelberg Elementary School feel that the school does a good job in listening and responding to them. One faculty member said, “My school does well with providing our students with a safe learning environment.” Respondents see the need for more community partners and a safer learning environment. Another faculty member stated, “Some of the academic coaches and consultants have done an excellent job. The others, not so much. We have benefitted greatly from ARS and the ELA mentors from Kids First and the k-2 Math mentor from Kids First.”

## General Opinion

---

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

---

 **ne parent of a student** from Heidelberg Elementary School responded to the open-ended questions. That parent stated, "My school made sure the students are safe, and they are very concerned about their learning."

# *KIRKPATRICK HEALTH AND MEDICAL SCIENCE MAGNET SCHOOL*

## Introduction

---

**K**irkpatrick Health and Medical Science Magnet School is located at 1101 Smith Street in Clarksdale, Mississippi. In 2022-2023, it served two hundred fifty-one (251) students, prekindergarten through fourth grade (PK-4). As stated on its website, the school has a vision for “all ‘residents’ to have the skills to lead healthy lives and the knowledge to pursue careers that help others to do the same.” It’s mission is stated as, “Kirkpatrick Health and Medical Science Magnet School exists to empower students to lead healthy lives now and forever.”

The school is led by its principal, Adrienne Hudson, and its assistant principal, Katrina King. In her online welcome message, Principal Hudson says, “Each day, we focus on growing academically, emotionally, and physically. From morning announcements and intervention to high quality instruction and afterschool literacy help from the Reading Roadmap program, we are constantly becoming more academically

healthy. For our emotional health, we are implementing the Overcoming Obstacles curriculum and Big Life Journal resources in classrooms and partnering with Region I Mental Health, Marion Counseling, and the Milestone Agency for more assistance.”

## Third-Grade Reading Assessment

**T**he **Literacy-Based Promotion Act (LBPA)** requires that students pass the Third-Grade Reading Assessment or meet one of the exemption criteria to be promoted to the fourth grade. Students are given three opportunities to take the assessment. However, the requirement was waived in 2020 and 2021 because of pandemic disruptions to instruction.

MDE publishes only initial passing rates on the Third-Grade Reading Assessment for individual schools. In 2019, the initial passing rate for Kirkpatrick Health and Medical Science Magnet School was 53.7%. The 2022 passing rate was 61.5%.

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at Kirkpatrick Health and Medical Science Magnet School in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Zero (0) faculty and staff members, sixteen (16) parents, and twenty-seven (27) students responded to the survey.

## Kirkpatrick Health and Medical Science Magnet School Student Survey

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

Not Applicable or No Information	2	7.4%

## Covid-19 and Distance Learning

**How much time is spent on schoolwork each day?**

	Count	Percentage
Less than half an hour	6	22.2%
Between half an hour and one hour	4	14.8%
One hour	4	14.8%
Two or three hours	6	22.2%
Four or more hours	7	25.9%

**Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?**

	Count	Percentage
Technical support	14	51.9%
Remote appointments with a counselor or mental health professional	5	18.5%
Remote appointments with a school nurse	7	25.9%
Devices to use for schoolwork	10	37.0%
Meals for students	10	37.0%
Class materials available online	11	40.7%
Mobile hotspots or other ways to access the internet	3	11.1%

### Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?

	Count	Percentage
School supplies (pencils, paper, etc.)	13	48.1%
Class materials available offline (sent through mail, picked up at school)	6	22.2%
Virtual school events (assemblies, awards ceremonies, graduation)	10	37.0%
Other	2	7.4%
None of the above	1	3.7%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**S**tudents from Kirkpatrick Health and Medical Science Magnet School feel that the school does a good job in creating fun learning opportunities and showing kindness. One student said, “My school helps me learn about stuff I don't know, but they help me.” Respondents would like to see different food options and changes to the dress code. Another student stated, “They should have a nurse so if somebody gets hurt then they can make sure they are okay.”

## Kirkpatrick Health and Medical Science Magnet School Parent Survey

### Federal Programs

#### In my experience, teachers in my school (district) are state certified and effective.

	Count	Percentage
Strongly Agree	6	37.5%
Agree	9	56.2%
Disagree	0	0.0%
Strongly Disagree	0	0.0%
Not Applicable or No Information	1	6.2%

**To contribute to "Well-Rounded Educational Opportunities" in our district, I would like to see Title IV money spent on:**

	Count	Percentage
Improving access to foreign language instruction, arts, and music education	7	43.8%
Supporting college and career counseling	10	62.5%
Providing programming to improve instruction and student engagement in science, technology, engineering, and mathematics (STEM)	14	87.5%
Promoting access to accelerated learning opportunities (including Advanced Placement (AP) and Dual Credit)	8	50.0%
Strengthening instruction in American history, civics, economics, geography, government education, and environmental education	6	37.5%

**To supplement what our district is already doing to keep our schools safe and healthy, I would like to see Title IV money used on:**

	Count	Percentage
Promoting community and parent involvement in schools	7	43.8%
Providing school-based mental health services and counseling	10	62.5%
Promoting supportive school climates to reduce the use of out of school suspension and promoting supportive school discipline	9	56.2%
Establishing or improving dropout prevention	6	37.5%
Supporting re-entry programs and transition services for Justice-involved youth	8	50.0%
Implementing programs that support a healthy, active lifestyle (nutritional and physical education)	11	68.8%
Implementing systems and practices to prevent bullying and harassment	12	75.0%
Developing relationship building skills to help improve safety through the recognition and prevention of coercion, violence, or abuse	12	75.0%
Establishing community partnerships	4	25.0%

**To supplement what our district is already doing in the area of technology, I would like to see Title IV money used on:**

	Count	Percentage
Supporting high quality professional development for educators, school leaders and administrators to personalize learning and improve academic achievement	14	87.5%
Building technological capacity and infrastructure	7	43.8%
Carrying out innovative blended learning projects	8	50.0%
Providing students in rural, remote, and underserved areas with the resources to benefit from high quality digital learning opportunities	7	43.8%
Delivering specialized or rigorous academic courses and curricula using technology, including digital learning technologies and assistive technology	8	50.0%

**I would like my child's school (district) to offer classes for parents on the following:**

	Count	Percentage
Abuse Prevention	6	37.5%
Computer Classes	5	31.2%

Meals for students	10	62.5%

Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?		
	Count	Percentage
Class materials available online	7	43.8%
Mobile hotspots or other ways to access the internet	8	50.0%
School supplies (pencils, paper, etc.)	3	18.8%
Class materials available offline (sent through mail, picked up at school)	8	50.0%
Virtual school events (assemblies, awards ceremonies, graduation)	8	50.0%
Other	1	6.2%
None of the above	3	18.8%

### General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**P**arents of students from Kirkpatrick Health and Medical Science Magnet School feel that the school does a good job in providing a clean and safe learning environment, communicating with the parents, and maintaining a positive atmosphere. One parent said, “Our school does a good job of asking for our opinion and ideas to improve. My child is also able to receive extra support and interventions based on their individual needs.” Respondents see the need for a better school library, improved security measures, and a paved driveway at the school. Another parent stated, “Our district would greatly improve if we could have art/music in the schools on a consistent basis and increase the number of days that counselors and librarians are on campus.”

# OAKHURST INTERMEDIATE ACADEMY

## Introduction

**akhurst Intermediate Academy** is located at 120 West Second Street in Clarksdale, Mississippi. In 2022-

2023, it housed three hundred six (306) students in fifth through sixth grades (5-6). According to the school website, its mission is, "The mission of OIA is to be an education system of academic excellence for young adolescents which inspires student motivation through an integrated curriculum that develops the whole child and enables all students to

succeed as middle scholars and beyond." OIA's vision is stated as, "All students are prepared and ready to achieve academic and social emotional success throughout middle school, high school, and beyond."

The school is led by its principal, Damian Collins, and its assistant principal, Tanya Rodges. As its students begin to make the transition from elementary school to the upper grades, OIA seeks to encourage their parents and them through educational and extracurricular activities, such as Black History Celebration, Field Day, March Madness Attendance Matters Campaign, and the Sneaker Ball.

## Enrollment

School Improvement

 **Oakhurst Intermediate Academy** was reidentified as a **Comprehensive Support and Improvement (CSI)** school in 2023 for either having a 67% or lower graduation rate, having scores that fell in the bottom 5% of those of all Title I A schools, or being **designated Additional Targeted Support and Improvement (ATSI)** and having scores that fell in the bottom 5% of scores for all Title I A schools for 3 years. It was first identified as **CSI** in 2017.

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at Oakhurst Intermediate Academy in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Ten (10) faculty and staff members, one (1) parent, and one hundred two (102) students responded to the survey.

## Oakhurst Intermediate Academy Faculty/Staff Survey

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

	Count	Percentage

General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from Oakhurst Intermediate Academy feel that the school does a good job in connecting with the community, keeping parents informed, and acknowledging successful students. One faculty member said, “Oakhurst Intermediate Academy is a place where students can learn and grow. The teachers are passionate about teaching their students and the student feel the love and support from the teachers.” Respondents would like to see more parent involvement, renovations and updates to the buildings, and the hiring of a nurse at each school. Another faculty member stated, “There should be a time where all subject area teacher must attend at least two PD’s a year.”

None of the above	9	8.8%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**S**tudents from Oakhurst Intermediate Academy feel that the school does a good job in providing a safe learning environment, feeding students well, and rewarding students for positive behavior. One student said, "What my school does well is that they prepare us for the state test and they teach us how to behave." Respondents would like to see cleaner restrooms, more free time during the school day, and more extracurricular activities. Another student stated, "I feel like the main problem is lack of conversation in our school with our supervisors, and I feel like that will help us open up more to the faculty and staff."

## General Opinion

---

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

---

**P**arents of students from Oakhurst Intermediate Academy chose not to respond to the two open-ended questions.

# *W. A. HIGGINS MIDDLE SCHOOL*

## Introduction

---

**W. A. Higgins** Middle School is located at 1749 Chestnut Street in Clarksdale, Mississippi. In 2022-2023, it housed two hundred eighty-three (283) students in seventh through eighth grades (7-8). The school is led by its principal, Shawanda Shaw, and its assistant principal, Farrington Hill.

In addition to the educational experiences in the classroom, students at WAHMS have the opportunity to participate in a variety of extracurricular activities. The school has a student choir, concert band, and its very own Rock Band,

which plays in various establishments in the community. The athletics program includes basketball, softball, and cheerleading. Induction ceremonies are held for students in TSA and Beta Club.

## Enrollment

Note: Asterisks indicate data suppressed by MDE "to prevent the identification of individuals in small cells or with unique characteristics."

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at W. A. Higgins Middle School in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Twenty (20) faculty and staff members, four (4) parents, and one hundred ninety-two (192) students responded to the survey.

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from W. A. Higgins Middle School feel that the school does a good job in making staff aware of expectations and deadlines, encouraging parental involvement, and building positive trusting relationships with students. One faculty member said, “Our school district provides extra academic support to its educators and students.” Respondents see the need for updates and improvements to the buildings and facilities and the provision of more professional development courses. Another faculty member stated, “Students should be held accountable for their own learning more often. Teachers are often criticized when children are not engaged and participating. Children should feel a community and culture at school; staff as well.”

Not at all	0	0.0%

### Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?

	Count	Percentage
Technical support	3	75.0%
Remote appointments with a counselor or mental health professional	1	25.0%
Remote appointments with a school nurse	2	50.0%
Devices to use for schoolwork	1	25.0%
Meals for students	1	25.0%
Class materials available online	3	75.0%
Mobile hotspots or other ways to access the internet	1	25.0%
School supplies (pencils, paper, etc.)	2	50.0%
Class materials available offline (sent through mail, picked up at school)	0	0.0%
Virtual school events (assemblies, awards ceremonies, graduation)	1	25.0%
Other	2	50.0%
None of the above	0	0.0%

## General Opinion

---

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

---

**P**arents of students from W. A. Higgins Middle School feel that the school does a good job in caring for student needs and making learning fun. Respondents see the need for improvements to be made in testing and test scores.

# *J. W. STAMPLEY 9<sup>TH</sup> GRADE ACADEMY*

## Introduction

---

**J. W. Stampley 9<sup>th</sup> Grade Academy** is located at 301 Washington Street in Clarksdale, Mississippi. In 2022-2023, it housed one hundred ninety (190) students in ninth grade (9). According to the school website, "The J.W. Stampley Freshman Academy will become a premier center for educational excellence through the employment of evidence-based practices in instruction and by building community partnerships that regard the education of every child as top priority. "

The school is led by its principal, Christopher Turner. The school's mission, as

stated on the website, says, "The mission of J.W. Stampley Freshman Academy is to provide engaging, rigorous learning experiences in an environment suitable for establishing and maintaining successful student achievement which produces well-prepared competitors for the transition to high school."

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at J. W. Stampley 9<sup>th</sup> Grade Academy in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Seven (7) faculty and staff members, zero (0) parents, and ninety-six (96) students responded to the survey.

### J. W. Stampley 9<sup>th</sup> Grade Academy Faculty/Staff Survey

#### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

	Count	Percentage
Strongly Agree	2	28.6%
Agree	3	42.9%
Disagree	0	0.0%
Strongly Disagree	1	14.3%
Not Applicable or No Information	1	14.3%

**To contribute to "Well-Rounded Educational Opportunities" in our district, I would like to see Title IV money spent on:**

	Count	Percentage
Improving access to foreign language instruction, arts, and music education	4	57.1%
Supporting college and career counseling	5	71.4%
Providing programming to improve instruction and student engagement in science, technology, engineering, and mathematics (STEM)	3	42.9%
Promoting access to accelerated learning opportunities (including Advanced Placement (AP) and Dual Credit)	2	28.6%
Strengthening instruction in American history, civics, economics, geography, government education, and environmental education	2	28.6%

**To supplement what our district is already doing to keep our schools safe and healthy, I would like to see Title IV money used on:**

	Count	Percentage
Promoting community and parent involvement in schools	4	57.1%
Providing school-based mental health services and counseling	5	71.4%
Promoting supportive school climates to reduce the use of out of school suspension and promoting supportive school discipline	3	42.9%
Establishing or improving dropout prevention	3	42.9%
Supporting re-entry programs and transition services for Justice-involved youth	1	14.3%
Implementing programs that support a healthy, active lifestyle (nutritional and physical education)	3	42.9%
Implementing systems and practices to prevent bullying and harassment	1	14.3%
Developing relationship building skills to help improve safety through the recognition and prevention of coercion, violence, or abuse	4	57.1%
Establishing community partnerships	4	57.1%

**To supplement what our district is already doing in the area of technology, I would like to see Title IV money used on:**

	Count	Percentage
Supporting high quality professional development for educators, school leaders and administrators to personalize learning and improve academic achievement	4	57.1%
Building technological capacity and infrastructure	3	42.9%
Carrying out innovative blended learning projects	1	14.3%
Providing students in rural, remote, and underserved areas with the resources to benefit from high quality digital learning opportunities	5	71.4%
Delivering specialized or rigorous academic courses and curricula using technology, including digital learning technologies and assistive technology	3	42.9%

**I use disaggregated student data to inform classroom decisions and instructional practices.**

	Count	Percentage
Strongly Agree	2	28.6%
Agree	2	28.6%
Disagree	1	14.3%
Strongly Disagree	2	28.6%
Not Applicable or No Information	0	0.0%

**I contact parents every week.**

## Covid-19 and Distance Learning

**Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?**

	Count	Percentage
Technical support	5	71.4%
Remote appointments with a counselor or mental health professional	2	28.6%
Remote appointments with a school nurse	2	28.6%
Devices to use for schoolwork	6	85.7%
Meals for students	3	42.9%
Class materials available online	2	28.6%
Mobile hotspots or other ways to access the internet	5	71.4%

**Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?**

	Count	Percentage
School supplies (pencils, paper, etc.)	3	42.9%
Class materials available offline (sent through mail, picked up at school)	3	42.9%
Virtual school events (assemblies, awards ceremonies, graduation)	4	57.1%
Other	0	0.0%
None of the above	1	14.3%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from J. W. Stampley 9<sup>th</sup> Grade Academy feel that the school does a good job in showing professionalism and support to teachers. One faculty member said, “Our school district is very supportive of teachers and provides great resources for our students.” Respondents would like to see a counselor and an assistant principal on site at the school. Another faculty member stated, “As much as I love my school, I hate that it’s falling down around me.”

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**S**tudents from J. W. Stampley 9<sup>th</sup> Grade Academy feel that the school does a good job in encouraging students, providing fun programs and incentives, and helping students with problems. One student said, "They make sure all of the students are okay and safe in the school building." Respondents would like to see better food options, renovations and updates to the buildings, and more free time for students. Another student stated, "Improvements that the school could make are better food and extra cleanliness. Improvements that the district should make are better monitoring and putting together more district wide events."

## Notes

# CLARKSDALE HIGH SCHOOL

## Introduction

---

**C**larksdale High School is located at 1101 Wildcat Drive in Clarksdale, Mississippi. In 2022-2023, it housed four hundred sixty-six (466) students in tenth through twelfth grades (10-12). The school is led by its principal, Mr. Hebert Smith. The school has as its vision to “receive a rating of a B or above school, thereby being responsible and accountable for the teaching and learning processes such that all students graduate.” It’s mission, as stated on its website, says, “The mission of Clarksdale High School is to provide a safe and orderly environment that is conducive to student achievement and professional growth.”

CHS offers a variety of educational and extracurricular activities and programs for students to exercise their gifts and grow in their knowledge and ability. Fine arts opportunities include the school choir and band. The athletics program sponsors

teams in the sports of football, basketball, and tennis. The high school has a book club as well as the honor societies of Mu Alpha Theta, National Honor Society, and National English Honor Society. Students are encouraged to serve their community by participating in food drives and disaster relief programs.

# Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at Clarksdale High School in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Nine (9) faculty and staff members, two (2) parents, and ten (10) students responded to the survey.

## Clarksdale High School Faculty/Staff Survey

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

	Count	Percentage
Strongly Agree	3	33.3%
Agree	6	66.7%
Disagree	0	0.0%
Strongly Disagree	0	0.0%

Virtual school events (assemblies, awards ceremonies, graduation)	6	66.7%
Other	1	11.1%
None of the above	0	0.0%

General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from Clarksdale High School feel that the school does a good job in fostering a positive and supportive work environment and rewarding students and teachers for successful achievements. One faculty member said, “This year the district has really made an effort to recognize the students that are excelling. I think that it is important to reward the students for their hard work.” Respondents see the need for improvements in communication and inclusion, upholding the dress code, and maintaining a clean and well-manicured campus. Another faculty member stated, “There are kids here in the high school that are reading on first and second-grade reading levels. How do they get this far? We have to start looking at how these kids are getting to high school and not being able to read. It starts in elementary school. If students cannot read, they should not pass.”

## Covid-19 and Distance Learning

### How satisfied are you with your school or district's COVID-19 remote learning program?

	Count	Percentage
Extremely satisfied	0	0.0%
Very satisfied	1	50.0%
Moderately satisfied	1	50.0%
Somewhat satisfied	0	0.0%
Not at all satisfied	0	0.0%

### To what extent is the district meeting the academic needs of students and their families (e.g., online learning support, other educational resources, access to teachers and staff)?

	Count	Percentage
To a very great extent	0	0.0%
To great extent	1	50.0%
To a moderate extent	1	50.0%
To a small extent	0	0.0%
Not at all	0	0.0%

### Which of the following would be most useful for the district to offer students and parents to improve distance learning in the future?

	Count	Percentage
Technical support	1	50.0%
Remote appointments with a counselor or mental health professional	1	50.0%
Remote appointments with a school nurse	0	0.0%
Devices to use for schoolwork	1	50.0%
Meals for students	0	0.0%
Class materials available online	1	50.0%
Mobile hotspots or other ways to access the internet	1	50.0%
School supplies (pencils, paper, etc.)	0	0.0%
Class materials available offline (sent through mail, picked up at school)	1	50.0%
Virtual school events (assemblies, awards ceremonies, graduation)	2	100.0%
Other	0	0.0%
None of the above	0	0.0%

## General Opinion

---

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

---

**P**arents of students from Clarksdale High School chose not to respond to the two open-ended questions.

## CARL KEEN CTE CENTER

### Introduction

**C**arl Keen CTE Center is located at 1050 Walnut Street in Clarksdale, Mississippi. The learning center is led by its director, Triccia Hudson, as well as its counselor, Jasheeba Baltimore. The center serves the students of CMSD by providing technical and career training and opportunities. Programs offered include culinary arts, sports medicine, health science, family and consumer science, STEM, simulation and animation design, and teacher academy. Students have the opportunity to participate in organizations such as National Technical Honor Society, Technology Student Association, FCCLA, Educator's Rising, and HOSA.

## Survey Results

The following tables detail responses to the Comprehensive Needs Assessment survey from stakeholders at Carl Keen CTE Center in the categories of *Federal Programs; Curriculum and Instruction; Parent, Family, and Community Engagement; School Climate and Culture; Technology; Preschool and Kindergarten; Professional Development; and Covid-19 and Distance Learning*. Participants were also asked to write in responses to two open-ended statements. An analysis of those responses is included at the end of each stakeholder section. Seven (7) faculty and staff members, zero (0) parents, and fifty-two (52) students responded to the survey.

## Carl Keen CTE Center Faculty/Staff Survey

### Federal Programs

**In my experience, teachers in my school (district) are state certified and effective.**

	Count	Percentage
Strongly Agree	0	0.0%
Agree	6	85.7%
Disagree	0	0.0%
Strongly Disagree	0	0.0%
Not Applicable or No Information	1	14.3%

**To contribute to "Well-Rounded Educational Opportunities" in our district, I would like to see Title IV money spent on:**

	Count	Percentage
Improving access to foreign language instruction, arts, and music education	3	42.9%
Supporting college and career counseling	4	57.1%
Providing programming to improve instruction and student engagement in science, technology, engineering, and mathematics (STEM)	5	71.4%
Promoting access to accelerated learning opportunities (including Advanced Placement (AP) and Dual Credit)	2	28.6%
Strengthening instruction in American history, civics, economics, geography, government education, and environmental education	2	28.6%

**To supplement what our district is already doing to keep our schools safe and healthy, I would like to see Title IV money used on:**

	Count	Percentage
Promoting community and parent involvement in schools	5	71.4%
Providing school-based mental health services and counseling	4	57.1%
Promoting supportive school climates to reduce the use of out of school suspension and promoting supportive school discipline	3	42.9%
Establishing or improving dropout prevention	4	57.1%
Supporting re-entry programs and transition services for Justice-involved youth	2	28.6%
Implementing programs that support a healthy, active lifestyle (nutritional and physical education)	5	71.4%
Implementing systems and practices to prevent bullying and harassment	2	28.6%
Developing relationship building skills to help improve safety through the recognition and prevention of coercion, violence, or abuse	5	71.4%
Establishing community partnerships	3	42.9%

**To supplement what our district is already doing in the area of technology, I would like to see Title IV money used on:**

	Count	Percentage
Supporting high quality professional development for educators, school leaders and administrators to personalize learning and improve academic achievement	2	28.6%
Building technological capacity and infrastructure	3	42.9%
Carrying out innovative blended learning projects	2	28.6%
Providing students in rural, remote, and underserved areas with the resources to benefit from high quality digital learning opportunities	6	85.7%
Delivering specialized or rigorous academic courses and curricula using technology, including digital learning technologies and assistive technology	3	42.9%

**I use disaggregated student data to inform classroom decisions and instructional practices.**

	Count	Percentage
Strongly Agree	1	14.3%
Agree	3	42.9%
Disagree	0	0.0%
Strongly Disagree	0	0.0%

## General Opinion

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

**F**aculty and staff members from Carl Keen CTE Center feel that the school does a good job in giving students accurate experiences of working in the world. One faculty member said, "Our district has a great open-door policy, and I feel welcome to share my concerns and opinions. I also enjoy the family-like atmosphere that we evoke in my building and in the district as a whole." Respondents would like to see a focus placed on teaching important life skills such as how to communicate and be a team player. Another faculty member stated, "I would like to see my co-workers, districtwide, take the initiative to study and better prepare for our craft. Stop using excuses about being a novice teacher and better prepare for the teaching of engaging lessons with vigor and a smile. Have empathy for our scholars, and stop being mean-spirited. Students are our most important stakeholders. Treat them with the utmost respect that they deserve or find another line of work."

## General Opinion

---

Note: In response to two open-ended questions, stakeholders were invited to comment about what the school or district does well and what improvements the school or district should make. Those responses are summarized below.

---

**S**tudents from Carl Keen CTE Center feel that the school does a good job in providing a positive learning environment, helping students learn, and ensuring that students feel safe. One student said, "I like that the school acknowledges our accomplishments every nine weeks and has different programs such as FCCLA that give us different opportunities." Respondents would like to see better lunch options and improved communication. Another student stated, "We should have better buildings. We should have fun while learning. And we should also take some breaks."
